## Return to Rugby

Over the next few weeks we will be trialling a new format of the Community Game Update, which aims to make the information we provide more enjoyable to read and easier to absorb, as we round up news in and around the community game.

We would love you to share content with your clubs, coaches, players and volunteers so more people know what's happening in the game. This edition includes:

**1. Pitch up for Rugby promotional assets are now live**

*A suite of assets are available to promote your club during Pitch Up for Rugby.*

**2. Data tidy-up extension reminder**

*No archiving of data in the near future and an overview of affiliation for the 2021/22 season.*

**3. Age Grade Regulation updates for 2021-22**

*Delay in age grade rules, suspension of 17's playing adult rugby and Global Law Trials from U15's and up.*

**4. Become part of how the RFU operates in the future**

*The RFU council has agreed to a review on how the RFU operates as an NGB and would like someone from the wider community game to be a part of*

it.

### 5. News roundup including D&I survey and Touch Union

*Our annual D&I survey will be shared with the game on Friday. Discover more about The Touch Union rules and information on Thursday 26 August*
