

Bristol Barbarians RFC Are Looking for a Coach for the 17/18 Season. The club currently runs two senior sides. The first XV are in Somerset 1 & the second XV in Somerset 2 North. Our first team have finished 3rd in our league for the past two seasons and it looks as though we will repeat that position again this year, we are however in the Bristol Combination Bowl final for the second year running having won the competition last season.

We are looking to appoint a innovative coach qualified to level 2 as a minimum, ideally we were hoping to appoint a Player/Coach as we have identified that leadership on the field is every bit as important as quality coaching, however playing is not a pre requisite. We train on a [Tuesday evening](#) and have a floodlit training area.

We are of course willing to pay for the right candidate and will negotiate that with the successful applicant.

The club desperately needs a coach who can take us to the next level, we are not satisfied with playing at level 9 and have exciting plans to develop the clubhouse facilities and would like the playing side to advance and develop in tandem with the club in general.

Suitably qualified coaches interested in this position should initially contact either

Club Rugby Coordinator Steve White on 07971668161

Club Chairman Glenn Forde on 07727613381

for further information and to arrange an interview.
