Back In The Game Update

[Read Online](#)

1. ACTION REQUIRED

Regulation 9 – First Aid Risk Assessment Reminder

As part of regulation 9, clubs are required to have completed an annual first aid specific risk assessment. To support this we have created a template as part of the Risk Assessment Tool kit. Please log that you have completed the assessment via the Organisation Profile tile in GMS.

Does your club have an Automated External Defibrillator?

We would like to get a better understanding of the number of clubs who have the provision in place. Let us know if your club has an AED.

2. ACTION IF OF INTEREST

Video: Top tips to keep your Game On

A short video on how clubs and CBs have had success in getting more games played, from using Game On principles to flexing the playing offer. Thank you to all those who have shared ideas.

'Back in the Game' national campaign

During the opening weeks of the Guinness Six Nations, we will be running a national campaign to encourage more social players back into the game. Read more about how to get involved.

The Club Support Centre Helpdesk has moved!

The aim is to make it easier for you to find the answers and information you need via a new Help portal. You can also submit a request if more help is needed.

Share your tries & stay up to date with the latest news via @RFU

Follow @RFU to stay up to date with all the latest from the community game and share your best tries, bloopers and videos!

Webinars and coaching interview

Maximising Bar Profits and Honda Rugby Grounds Connected support, plus an exclusive interview with England Attack Coach Martin Gleeson, available from 31.01.22.
