FOREWORD

Becoming President of Somerset RFU for the coming season is a tremendous honour. I would like to thank the Committee for electing me and congratulate Steve Meads, who remains on our Committee as RFU Representative after serving as President for three years.

For me, being President is the culmination of a long association with rugby and a real love for the sport. Having been involved with Somerset Rugby for seventeen years, I have seen the huge contributions made by current and former Committee members and I would like to acknowledge all of them. Like many volunteers around the country, they work so hard to support and manage our great game.

Rugby is built on a unique set of core values: Teamwork, Respect, Enjoyment, Discipline, and Sportsmanship. It is what attracts so many young people to the game and keeps them involved throughout their lives from attending international matches to supporting and playing grassroots rugby. It is important that we do not forget those core values as we strive to reinvigorate and strengthen the game after the long-term effects of the COVID pandemic.

Our values will also help us to become more inclusive as we strive to ensure that rugby union represents the face of modern England, not least so that we can increase participation and grow the game. To this end, diversity and inclusion are key as we try to attract more people to play and watch our great game. We are also enjoying a surge of energy within the women's sport, and this will be only heightened by the Women's Six Nations and Women's World Cup to look forward to in 2024.

We strive at Somerset RFU to be effective and efficient whilst supporting the community and rugby clubs to deliver their rugby activity. The County Committee is too often underrated for the amount of time and effort that they put in as volunteers. Please work with us to ensure that the needs of the clubs, their members and the wider game are understood, supported and ultimately met. I want to assure you that we are available to help, offer support and guidance, so please do contact us with any queries. Thank you and I look forward to meeting you over the coming season.

SCR FU President**

SOMERSET
COUNTY RUGBY FOOTBALL UNION

FOREWORD BY, PRESIDENT, RUGBY FOOTBALL UNION 2023 - 2024

It is a great pleasure to be able to contribute to the Somerset Rugby Handbook and wish you all well for the season. I know that there are many challenges in the game today and I am very aware that many volunteers in your clubs and Constituent Body are working hard to overcome these difficulties.

The impact of Covid and the many months without contact rugby added to the challenges already apparent in the community game. These include societal changes which have brought about the players wanting to play less frequently, fear of injury, rugby participation in schools, difficult economic conditions, the transition from age grade to adult rugby and reducing numbers playing rugby in schools. However, I know that the RFU, together with its constituent bodies, are currently looking at the community game's future and creating a plan for continued investment and focus over the next decade.

Added to the issues facing the community game are the financial difficulties being faced by our professional clubs. It is hoped that the improved relationship between the RFU and Premiership Rugby and the Professional Game Agreement currently in negotiation, will provide an opportunity to restructure the game and lead the position of a more sustainable future for the professional game in England.

Even though the game faces many challenges in the coming years, there is much to look forward to particularly in the international game. Following the recent successes of the Red Roses in the newly formed WXV competition and as Grand Slam winners, England will be hosting the World Cup in 2025 with games being played at venues throughout the country. Also, with England Men's team having some success at the recent World Cup in France, we can look forward to the next Six Nations with renewed confidence.

The main theme of my Presidential year will be to promote our core values and in particular Respect. I believe that if this value is adhered to then most of the other values should fall into place. If those involved the game respect each other, rugby should continue to flourish, and parents will encourage their children to have rugby as their sport of choice. We all need to strive to uphold these values and I know that the dedicated volunteers in Somerset are showing the way and are at the forefront in promoting these values.

I would like to take this opportunity to thank all the fantastic volunteers that have willingly given of their valuable time and expertise to support rugby in Somerset. Finally, I wish you all well for the coming season and look forward to seeing the continued development of rugby in the County and its clubs for many years to come.

SOUTH-WESTERN DIVISION RUGBY FOOTBALL MUTUAL BENEFIT FUND

The fund, founded by the late Tom Lean of Plymouth in 1920, is administered by official representatives of Cornwall, Devon, Gloucestershire and Somerset, to provide financial assistance to players, officials and referees, or, in the case of death where there is hardship, to relatives of the same.

The assistance given over the years has been considerable, but owing to the development of the game on a more physical basis the number of injuries is not only increasing, but becoming more serious, and the question of insurance is a matter which should be looked into. There are still a number of clubs in the South West who have apparently overlooked the important factor of making sure their players are adequately covered against any injury and the attention of every club is therefore drawn to the advantages to be obtained from taking up Membership of the South Western Mutual Benefit Fund.

1. The insurance taken up with the Fund for loss of earnings Benefit will now cover up to £50 PER DAY. (All claims are based on a 6-day week.)
2. This year the RFU will pay for the Compulsory and Public/Employers Liability direct. The fund has therefore reduced the Premiums to show this.
3. Maximum period of Benefit is 156 days, although this can be increased in special circumstances at the Committee's discretion.
4. In addition to LOSS OF EARNINGS BENEFIT, cover also includes PHYSIOTHERAPY and DENTAL TREATMENT not available under the DHSS.
5. You will see the Fund was founded in 1920 under the aegis of the South West Constituent Bodies for rugby people.

Full details are available from Roger Farthing,

49a Bridge Street, Taunton TA1 1TP (H: 01823 271576; T: 01823 331335)

WARNING

An upsurge in the number of casual games such as Pub XV's has been reported. Club officials would be well advised to inform their players that they are unlikely to be covered for any form of insurance when playing in games not on a club's normal fixture list.

IMPORTANT NOTICES

Death from Heart Failure or Collapse does not come within the cover afforded by the Rules of the Fund.

Death by Natural Causes cover can be obtained from the RFU.

If claims are not notified in accordance with the rules, and the correct information given, then a claim may be rejected.

NOTES FOR THE GUIDANCE OF CLUBS RE PRACTICE MATCHES

Your attention is drawn to the following:

RULE 8, CLAUSE C

Claims for compensation shall be paid only for accidents to players occurring on the field of play during the progress of a bona fide match or practice game.

Note:

Either Bona fide matches and practice games must appear on the Club fixture list or official notification must have been sent to the Honorary Secretary of the Fund. Ordinary club 'kick-about's' or practice sessions which do not comply with these conditions are NOT covered.

CLAIMS PROCEDURE

1. Immediately a player is injured in the field of play, his Club Secretary must be informed. The Honorary Secretary of the Fund should receive the Claim Form with all relevant documents requested within TWENTY-ONE DAYS of the injury or the claim will be REJECTED.
2. Nett Weekly Wage is the actual amount received by the player after all statutory deductions such as NHS, Tax, etc., have been deducted and it is essential copies or proof of wages are sent.
3. As soon as the player has been declared fit to resume his occupation, the final medical certificate should be sent to the Honorary Secretary of the Fund, when benefit due will be paid, providing everything is in order.
4. It is primarily the responsibility of the player and his Captain to ensure the Official dealing with insurance is notified without undue delay of any injury to a player.

County Union means the Somerset County Rugby Football Union Limited

Home Clubs defined by Regulation 4.2 & 4.3

Weather Conditions shall be deemed to include but not be limited to bad or inadequate light as decided by the match Referee.

World Rugby means the world governing body of the game of which at the date of the adoption of these Rules is the International Rugby Board of which the Union is a member.

World Rugby Regulations means the Resolutions and Regulations relating to the game promulgated by World Rugby from time to time.

DESCRIPTION AND FORM

- 1.1 the Competitions shall be called "The Somerset RFU Cup, The Somerset RFU Vase and, if required, The Somerset RFU Bowl" (The Competitions). These Rules apply to all of these Competitions.
- 1.2 All matches in the Competitions shall be played under the World Rugby Laws of the Game and the Regulations of World Rugby and the RFU current at the commencement of the Competitions in so far as the same are not varied by or inconsistent with the Regulations. Where there is any conflict between the World Rugby and/or the RFU Regulations and these Regulations, then these Regulations shall prevail.

ORGANISING COMMITTEE

- 2.1 The Competitions shall be organised and administered by the Committee.
- 2.2 The Committee shall have the power to delegate any of its duties, powers or obligations under these regulations to a Competitions Organiser.
- 2.3 Subject to the provisions of Regulation 13, decisions of the Committee shall be final and binding on any matter not provided for in and on the interpretation of these Regulations.

ELIGIBILITY OF CLUBS/TEAMS AND PLAYERS

- 3.1 The Cup Competition will be open to member clubs of the County Union that play at Counties 1 (Level 7) or above. The remaining teams are eligible for the County Vase competition. However, with regard to a University or College that does not take part in The English Clubs Rugby Union Championship, then the Committee may in its absolute discretion place that team in the Competitions after giving due consideration to its playing strength. Only one team from each club will be eligible to enter one or other competition.
- 3.2 Any Club wishing to participate must signify its wish to do so to the Competitions Organiser by the date set by them. In the interests of promoting participation in the competition, there will be no requirement to lodge a Bond.
- 3.3 The Competitions will proceed with the number of clubs that have signified that they wish to enter.
- 3.4 In the event of a club or team unjustifiably failing to fulfil a fixture, the Committee may exclude it from the Competition.
- 3.5 A club shall play or select as replacements only players who on the date of the match are bona fide members of that club. In the case of a club that is a University or College, they shall only play Eligible Participants as defined by the British Universities & Colleges Sport Regulations.
- 3.6 A club shall not be represented in the front row of a scrummage by any player under 18 years of age, whether the scrummage is contested or uncontested.
- 3.7 A club shall not be represented by a player who has either played in or been selected as a replacement for any other club in either Competition. Any player who has played or been selected for any club in any team or squad which plays at Level 4 (National 2) or above five times shall become ineligible to play in either competition.
- 3.8 A club may select up to seven replacements/substitutes. If the match squad contains twenty-two players, then it must contain five players capable of playing in the front row. (Rolling substitutions are allowable to a maximum of twelve interchanges.)
- 3.9 In the interest of safety, each team playing in each match in the Competitions must have at least five players in their nominated match squad, all at least 18 years old, who are suitably trained and experienced to be capable of playing in the front row to ensure that on the first or second occasions (whether owing to injury or consequent to a player(s) being temporarily suspended or ordered off) that a front row player is required to be replaced, the team can continue to play safely with contested scrums.

- 3.10 If in any match on the first or second occasion any front row player requires to be replaced and his team cannot provide a suitably trained and experienced replacement player at least 18 years old to play in such position in the front row of the scrum to enable the teams to continue to play safely with contested scrums (the referee having made enquiry of and confirmed this fact with the captain of the team or such other person nominated by the Club as the manager or other person responsible for the team), the match will continue with uncontested scrums and the offending team will be prevented from replacing the injured player(s). Subject to Regulation 3.13 below, the final result will stand.
- 3.11 Subject only to the proviso contained in Regulation 3.12 below, if in any match in the Competitions on the third or subsequent occasion any front row player requires to be replaced and his team cannot provide a suitably trained and experienced replacement player to enable the teams to continue to play safely with contested scrums (the referee having made enquiry of and confirmed this fact with the team captain or other person nominated by the Club as manager or other person responsible for the team), the match will continue with uncontested scrums. Subject to Regulation 3.13 below, the final score will stand.
- 3.12 Where a player or players is/are temporarily suspended from the field of play (which includes a blood injury), which creates a third or subsequent occasion that a front row player needs to be replaced and his team cannot provide a replacement or other player aged 18 years of age or older suitably trained and experienced to enable the team to play safely with contested scrums the referee having made enquiry of the team captain (or other person nominated by the Club as manager or responsible for the team) of the side affected, the match shall continue with uncontested scrums (but such uncontested scrums shall continue only for the duration of the temporary suspension). The match result will not be deemed to be invalidated by reason of part of it being played with uncontested scrums.
- 3.13 The Committee will review the circumstances in every case where a match in the Competitions is completed with uncontested scrums. The Committee will be entitled to take any such action as it deems appropriate (such action may include reversal of the match result, a fine and/or payment of compensation, and/or disqualification from the Competitions in the Season and/or the following season, the inclusion of the non-offending team in the next round of the Competitions and/or requiring that the match be replayed) where the Committee finds that there has been a breach of any Regulation governing the Competitions or that a Club in a match in the Competitions acting other than in good faith has taken advantage of the provisions of this Regulation 3.5 and in particular 3.10 and 3.11.

Note: *The intention of Regulations 3.9 to 3.13 (inclusive) is to penalise Clubs who try improperly to take advantage of a situation to ensure a match is played (or finished) with uncontested scrums.*

THE COMPETITIONS FORMAT AND DRAWS

- 4.1 The Competitions shall comprise the number of rounds appropriate to the number of clubs participating, including semi-finals and a final.
- 4.2 The first named club to be drawn in a match prior to the semi-finals shall be the home club, and, unless otherwise agreed, the venue for that match shall be the ground of that home club.
- 4.3 The home club in the semi-finals and final shall be determined by the Competitions Committee.
- 4.4 The semi-finals and finals shall be played at neutral venues as determined by the Committee unless otherwise agreed by the clubs and the Competitions Committee as and when appropriate.
- 4.5 Draws shall be arranged by the Competitions Committee as and when appropriate.
- 4.6 All Matches shall be played on fixed dates determined by the Competitions Committee unless some other date is specified by the Competitions Committee or the Clubs concerned mutually agree to rearrange the date and such rearrangement has been approved by the Competitions Committee. Matches in the Competitions take precedence over all other fixtures save for those in the English Clubs Rugby Union Championship or any other RFU arranged competitions.
- 4.7 A match may be played on a date in advance of the fixed date or at a different venue if both clubs agree in writing to that effect at least forty-eight hours before the match is due to take place and such rearrangement(s) has/have been approved by the Competitions Committee.

Note: Clubs must bear in mind the effect of any rearrangement(s) on (i) the following rounds of the Competitions to ensure they are not necessarily delayed and (ii) the availability of Match Officials.

DRAWN MATCHES

- 5.1 In all matches up to and including quarter-finals, if after forty minutes of play each way the scores are level, there shall be a five-minute break. After this break, the teams will change ends and there shall be a period of extra time between the teams of ten minutes each way, with a one-minute interval. If the scores are then still equal, the team that has scored the most tries goes forward into the next round. If this does not produce a result, the team that has scored the most goals from tries shall go forward into the next round. If the scores, number of tries and goals from tries are still equal, the visiting team shall go forward into the next round.
- 5.2 in the semifinals and final, if after forty minutes of play each way the scores are level, there shall be a five-minute break.

After this break, the teams will change ends and there shall be a period of extra time between the teams of ten minutes each way, with a one-minute interval. If the scores are then still equal, the team that has scored the most tries shall be the winner. If this does not produce a result, the team that has scored most goals from tries shall be the winner. If no result is then achieved, the result shall be decided in the following manner.

Each team shall nominate one player from its number on the field of play at the final whistle to participate on its behalf in a "sudden death" place kicking competition. Each kicker in turn shall attempt a place kick from pre-determined positions until such time as after an equal number of attempts one kicker has kicked more goals than the other.

These attempts will be made towards the goal posts (determined by the Referee) and the first kick shall be taken by the team that kicked off at the commencement of the match. The attempts will be taken in the following positions (in turn) repeating the sequence until a decision is reached: -

- a. The centre of the 22m line.
- b. Intersection of the 22m line and 15m line to the left of the posts facing.
- c. Intersection of the 22m line and 5m line to the left of the posts facing.
- d. Intersection of the 22m line and 15m line to the right of the posts facing.
- e. Intersection of the 22m line and 5m line to the right of the posts facing.

POSTPONED AND ABANDONED MATCHES

- 6.1 If weather conditions prevent a match being played or a match is abandoned because of such conditions with less than sixty minutes having been played, it shall be played or replayed before the date of the next round on a day and at a time agreed by the two clubs concerned and by the Committee. If there is no agreement within 4 days of the date of the match which was not played or was abandoned or if the date and time agreed between the two Clubs are not acceptable to the Committee, the date and kick-off time will be as directed by the Committee upon the application of either Club.
- 6.2 If a match is abandoned because of weather conditions when sixty or more minutes have been played, then the score at the moment of abandonment shall stand and be deemed the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.
- 6.3 If the Referee finds it necessary to abandon a match for any reason other than weather conditions, then, irrespective of the number of minutes played, the result of that match will be determined by the Committee. The Committee may order the match to be replayed, in which event the match will take place on a date and venue directed by the Committee.

GROUNDS

- 7.1 The home club (other than in the semi-finals and final) is responsible for correctly and clearly marking its pitch. In addition, it must make proper provision to ensure that (with the exception of the touch judges, fourth official, doctor or first aider/other suitably medically qualified person and one water carrier from each club) all spectators, replacements, coaches' replacements and others are kept at a reasonable distance from the field of play.
- 7.2 When a late decision (i.e. a decision made or to be made within three hours of the scheduled kick-off time) as to the fitness of a pitch for the playing of a match is necessary, it shall be made by the respective captains (or nominated representatives) of the clubs involved, but if the captains are not able to agree, an opinion as to the fitness of the pitch shall be made by the appointed Referee.

Note: *The Referee's responsibility is limited to deciding whether or not the pitch is in his opinion playable. Any decision reached that a game should or should not commence is the decision of the Clubs concerned.*

- 7.3 The home club must ensure full compliance with RFU Regulation 9 with particular reference to Regulation 9.3 - Pitch-Side First Aid and Immediate Care Provision for all matches, details for which can be found on the England Rugby website at www.englandrugby.com, under the Participation heading - Player Welfare - Rugby Safe links.

MATCH OFFICIALS

- 8.1 The Society shall appoint or arrange for the appointment of match officials for all matches. The home club shall be responsible for liaising with (i) the appointed match officials as to the match arrangements (ii) the Society at the earliest opportunity in relation to any proposed change in the match arrangements and (iii) with the appointed official(s) directly to ensure that such official(s) is/are aware of rearrangements and has/have the appropriate directions to the venue of the match (or any change of venue).

CLASH OF COLOURS/IDENTIFICATION OF PLAYERS

- 9.1 In the event of clubs having similar or clashing colours, the away club shall be responsible for changing its colours subject to the satisfaction of the appointed referee.
- 9.2 The jerseys of teams competing in the Competitions shall be numbered in accordance with World Rugby requirements to ensure the correct identification of all players and replacements during a match.

KICK-OFFS AND DELAYED ARRIVALS

- 10.1 All scheduled matches shall start at the time notified by the home club to its opponent club not less than three days prior to the match, and shall be between 2pm and 3pm on weekends and public holidays and between 7pm and 8pm on weekdays.

An alternative kick-off time may be agreed by the Committee. A kick-off time may be specified by the Committee if upon appeal by the opponent club the Committee deems the time specified by the home club unreasonable. Any delay in kicking-off from the pre-determined time may be reported by the non-offending club to the Committee, which may impose such penalty as it sees fit.

NOTIFICATION OF RESULTS

- 11.1 The Secretary of the club qualifying for the next round is responsible for informing the Competitions Administrator of the result of a match within forty-eight hours of the conclusion of the match.
- 11.2 Match cards will be required for each team in each match with players' details being scrutinised against the relevant GMS/EMC database. Each match result card must specify the result of the game, including number of tries scored for each side and a list of the players and replacements involved and must be signed by a club official and the match Referee. Results will be processed onto GMS.

FINANCE

- 12.1 Semi-final and final matches only in the Competitions shall be "gate taking" matches and shall be "all pay" save for those attending who are under 16 years of age. The gross receipts from the semi-finals and final shall be delivered to the Competitions Administrator, who shall deduct proper expenses and the balance shall be divided as to one-third to each of the participating clubs and one-third to the County Union.
- 12.2 To encourage participation in either of the competitions there will be a winner's prize of £300 for the Cup and £150 for the Vase.

PROTESTS, DISPUTES AND TRANSGRESSIONS

- 13.1 Any complaint of an alleged breach of these Regulations must be made to the Competitions Organiser immediately by telephone, or as soon as possible, and written confirmation thereof be sent within forty-eight hours of the cause of the complaint in full. The Committee shall have absolute discretion (and using such procedures as in its absolute discretion it deems appropriate) to resolve any such complaint as it shall see fit and may decline a complaint validly made if it considers doing so to be in the interests of the Competitions generally or the game of Rugby Football. Subject only to the provisions of Regulation 13.2, the decision of the Committee shall be final and binding.

SOUTH WEST LEAGUES 2023 - 2024 SEASON

Clubs playing in the South West Leagues of the English Clubs Championship are subject to the Laws of the Game and the Regulations laid down for the competition. In addition, Clubs are bound by the South West Administration Instructions, which lay down procedures relating to the method of submitting registrations, reporting results/postponements, sending in result cards and the appeal procedure. Full details of the RFU regulations are available at: englandrugby.com Clubs playing in the "deregulated leagues" have opted out of certain regulations and the modifications are shown below.

Modifications to the English Clubs Championships (ECC) Regulations relating to the playing of league rugby at Level 8 and below in the Tribute Somerset Counties 1, Counties 2 (N & S) and Counties 3 (N & S).

The regulations relating to the playing of league rugby in Somerset will be modified in so far as matches played at Level 8 (Counties 2) and below (together "the Modified Leagues") are concerned. The modified leagues are subject to all ECC Regulations in so far as these are not varied by or inconsistent with these Regulations. The modifications are:

1. Second, third and lower teams of a Club may play in the modified leagues with the approval of and at the level agreed by the South West Regional Organising Committee (SWROC), who shall consider the advice of the Somerset County RFU Limited (SCRFU).
2. A second, third or lower team may not be promoted above Level 7. In the event of such a team winning the Level 7 league or getting into a Play Off position, then the next highest placed eligible side in that league shall, subject to the agreement of SWROC in agreement with SCR FU, take its place.

3. At Levels 8 & 9 (Counties 2 & 3), all players must be registered with their club in accordance with the Player Registration Regulations, with the exception at Level 9 (Counties 3) TWO unregistered players may play under RFU Regulation 14.2.2 before having to be registered. At Level 9 (Counties 3) they may only play for one week but must be registered before they play again the next week or any subsequent week.
4. At Level 10 (Counties 4), teams may contain players who are not registered with that club. They should however be made up of bona fide club members; although if this is not possible then players may be borrowed from other clubs to make up the numbers and encourage participation in the game. However, such teams may not knowingly play players holding Effective Registration with another club at Level 8 (Counties 2) or above.
5. Notwithstanding point 4 above, clubs at all levels are encouraged to continue to register their players.
6. If a team at level 10 (Counties 4) and below justifiably cannot field a front row, then the match will proceed with uncontested scrums. No league points will be deducted providing the fixture is honoured. The result at the final whistle will stand.
7. Two teams from the same club may not play in the same league. Subject to this, and point 13, normal promotion and relegation rules will apply except that a team may decline promotion with the approval of SWROC; who in reaching their decision shall consider advice from SCRFU. Should a team decline promotion, then point 12 will apply. For the avoidance of doubt, the next highest placed side in that league has no automatic right to promotion in such circumstance.
8. Where the first or higher team of a club does not have a match (but does have a lower team league fixture) on an appointed day, then the club must field a genuine team(s) commensurate with the level of match(es) being played. That will include situations where a club fields a lower team but cancels a higher team's fixture on the same day. Clubs are reminded that such first team (or any other team in the Club) may also suffer penalty for non-compliance. The League Secretary may enquire into such circumstances and impose any sanction in accordance with Game Regulations.
9. In the interests of encouraging participation in the game at Level 10 (Counties 4) or below the captains may agree prior to a match to more than three replacements being used by the teams in any match. At Level 10 (Counties 4) teams with surplus players are encouraged to lend the opposition surplus players to make up even numbers per side. However, if agreement cannot be reached between the captains before the match, the number of replacements allowed will revert to RFU Regulation 6 Section 5B (b), which states that there shall not be more than three replacements allowed below Level 5.
10. At Level 10 and below, Electronic Match Cards must be completed including the names of participating players. Where a Guest player has played and their details have not been registered on the system, their name, date of birth and any club of which they are a member must be clearly indicated in the "comments box" on the Electronic Match Card (EMC). If the Guest player is unattached to a Club, this must also be stated on the EMC.

11. Where a team finishes in a promotion or relegation spot but cannot be promoted or relegated by virtue of these regulations (e.g. because a club team would gain promotion to the same league as another side in their club), then SWROC (having taken advice from the SCRFU) will make appropriate arrangements for promotion or relegation within the leagues affected. In the case of relegation causing two teams from the same club to be in the lowest league, then, if no other suitable arrangement is appropriate, this could include two sides from the same club being in the same league.
12. Where anomalies occur within the modified leagues that are not provided for within these regulations or that are contrary to the objectives of providing competitive, structured and enjoyable rugby to relevant teams of Somerset clubs, then SWROC (having taken advice from SCRFU) reserves the power to make appropriate arrangements to fulfil those objectives.
13. Providing it is otherwise possible under these regulations and SWROC agrees, then the winners of Counties 3 (North & South) shall be promoted to Counties 2 and the bottom two placed sides in that league relegated. The winners of Counties 4 (North & South) shall be similarly promoted to Counties 3 (North & South) and the bottom side in each of those leagues relegated. There will be no play off matches for the second placed sides in either of these leagues.
14. The League Secretaries of Somerset Counties 2, Counties 3 (North & South) and Counties 4 (North & South) shall be appointed from nominees submitted by SCRFU.
