 - 4.1.2. The home club in the semi finals and final (all of which shall be played at neutral venues) shall be determined by the Committee.
 - 4.1.3 Draws shall be arranged by the Committee as and when appropriate
 - 4.1.4. All matches (except the final) shall be played on fixed dates determined by the Committee unless the clubs concerned mutually agree to re-arrange the date and such re-arrangement has been approved by the Committee. Matches in the Competition take precedence over all other fixtures save for those in the English Clubs Rugby Union Championship and R.F.U Cup Competitions. The final of the Competition takes precedence over a re-arranged fixture in the English Clubs Championship.

- 4.5 A match may be played on a date in advance of the fixed date or at a different venue if both clubs agree in writing to that effect at least 48 hours before the match is due to take place and such rearrangement(s) has/have been approved by the Committee

Note: Clubs must bear in mind the effect of any re-arrangement(s) on (i) the following rounds of the Competition to ensure that they are not unnecessarily delayed and (ii) the availability of Match Officials

Drawn Matches

- 5.1. In all matches in the first round and quarter finals if after 40 minutes of play each way the scores are level, there shall be after a 5 minute break a period of extra time (**between the same teams that were on the field at the end of normal time**) of 10 minutes each way, with a one minute interval. If the scores are then still equal, the team that has scored the most tries shall go forward into the next round. If this does not produce a result, the team that has scored the most goals from tries shall go forward into the next round. If the scores, numbers of tries and goals from tries are still equal the visiting team shall go forward into the next round.
- 5.2 In the semi finals and final, if after 40 minutes play each way the scores are level, the team that has scored the most tries shall be the winner. If this does not produce a result, the team that has scored most goals from tries shall be the winner. If no result is then achieved, the result shall be decided in the following manner.

Each team shall nominate one player from its number **on the field of play at the final whistle** to participate on its behalf in a place kicking competition.

Each kicker in turn shall attempt a place kick from pre-determined positions until such time as after an equal number of attempts one kicker has kicked more goals than the other.

These attempts will be made towards the goal posts (determined by the Referee) and the first kick shall be taken by the team that kicked-off at the commencement of the match.

The attempts will be taken from the following positions (in turn) repeating the sequence until a decision is reached:-

- a. The centre of the 22m line.
- b. Intersection of the 22m line and 15m line to the left of the posts facing.
- c. Intersection of 22m line and 5m line to the left of the posts facing.
- d. Intersection of 22m line and 15m line to right of the posts facing.
- e. Intersection of 22m line and 5m line to the right of the posts facing.

Postponed and Abandoned Matches

- 6.1 If weather conditions prevent a match being played or a match is abandoned because of such conditions with less than 60 minutes having been played it shall be played or re-played before the date of the next round on a day and at a time agreed by the two clubs concerned and by the Committee. If there is no agreement within 4 days of the date of the match which was not played or abandoned or if the date and time agreed between the two clubs is not acceptable to the Committee, the date and kick-off time will be as directed by the Committee upon the application of either club.
- 6.2 If a match is abandoned because of weather conditions when 60 or more minutes have been played then the score at the moment of abandonment shall stand and be

deemed the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.

- 6.3. If the Referee finds it necessary to abandon a match for any reason other than weather conditions, then, irrespective of the number of minutes played, the result of that match may be determined by the Committee. The Committee may order the match to be replayed in which event the match will take place on a date decided by the Committee.

Note: If a match is abandoned because a team does not have sufficient suitably trained and experienced front row players of at least eighteen years of age and one of the causes for such insufficiency is that a front row forward has been ordered off by the referee the Committee should have regard to such fact when determining the result of the match or ordering a replay
